

INVACARE®
FR300™
Rollator

Yes, you can.®

The new **Invacare® FR300™ Rollator** combines a high-end, streamlined look with the clinical benefits associated with walking more inside the rollator frame. Users will appreciate the unique x-brace and folding mechanism, which allow the rollator to be folded easily and with one hand for portability, and the integrated curb climber, making it easier than ever to negotiate obstacles.

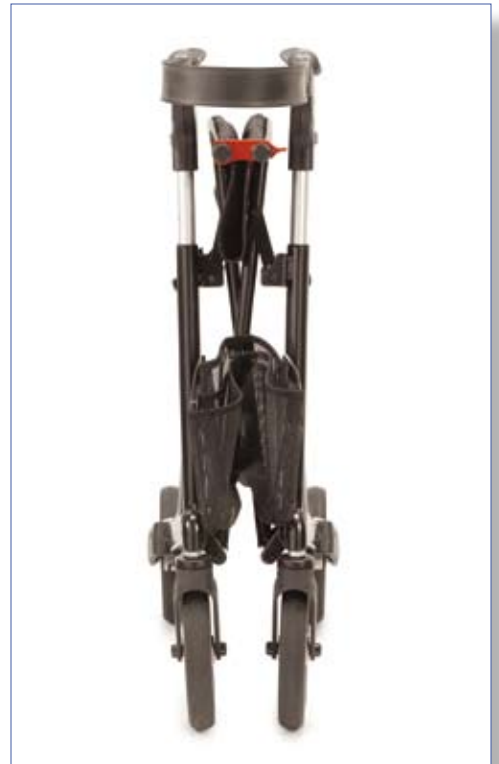

- **Curb Climber**
Integrated “pedal” makes it easier to negotiate obstacles

- **Curved Backrest**
Comfortable, removable backrest

- **Streamlined Design**
Brakes are enclosed in the tubing

- **X-Brace**
Easily collapses for portability

Model no. 67100

- **Tray**
Provides convenient assistance for a variety of everyday activities
